

U.S. ASR HIP SETTLEMENT

MDL 2197

MATERIALS REQUIRED FOR ENROLLMENT

The deadline to submit all Enrollment Materials in the 2015 Settlement, with the exception of the Green Claim Form, is June 19, 2017. The deadline to submit a Green Claim Form for Past Matrix Level benefits from the EIF Award Program is October 27, 2017. The deadline to submit a Green Claim Form for Future Matrix Level benefits is within 90 days of the respective claim's accrual. Primary Law Firms and Unrepresented Claimants will be able to submit all required Enrollment documents electronically through a secure web-based Portal maintained by the Claims Processor, which will simplify and facilitate the submission process. Because it may take time for a medical record provider to return records you request, you should go ahead and take steps now to obtain the required records to avoid delays that could jeopardize compliance with the June 19, 2017 Enrollment Deadline. The following documents are required for Enrollment:

A. Medical Records and Product Identifying Information. You should contact the Product User's medical providers to obtain the following records which are required to make a claim for a Base Payment under PART A:

- | | |
|----|---|
| 1. | Manufacturer/product stickers for the Qualifying ASR Hip Implant, identifying the Product Code/Lot Code for the device(s) implanted into the Product User. These are most often found on the Operative chart for the surgery implanting the ASR device. |
| 2. | For any <i>ASR Index Surgery</i> and <i>ASR Revision Surgery</i> , a true and correct copy of the Admission History and Physical Examination Records, Discharge Summaries, and Operative Report from the hospital where the surgery occurred. |
| 3. | Medical record(s) showing the Product User's weight and height at the time of the ASR Index Surgery and smoking status at the time of the ASR Revision Surgery. |

B. Forms Required for Enrollment. In addition to the records in Section A, each enrolling claimant must submit the following documents. The Claims Processor will make these documents available online for each registered claimant who intends to enroll:

- | | |
|----|--|
| 1. | Release. |
| 2. | Dismissal with Prejudice Stipulation (if the claimant has a pending lawsuit). |
| 3. | Orange Claim Form for PART A Base Award. |
| 4. | Red Claim Form (if making a claim for a Bilateral Award). |
| 5. | Green Claim Form (if making a claim from the Extraordinary Injury Fund). The Claims Processor may request additional medical records or information to complete an Extraordinary Injury Fund Claim and will alert all claimants to those document requirements as soon as they become available. |
| 6. | Enrollment Form, completed by a law firm for each claimant after submitting all other Required Materials or by an Unrepresented Claimant. |
| 7. | Blue Claim Form for Lien Resolution. |
